

January 26<sup>th</sup>, 2010

Agenda breakdown

Minute taker: Abhishek Gundugurthi

**Abhishek:**

Hindu worship space:  
Interest from SGA based on resolution to form a Hindu workshop  
Interest vs time commitment. Cost, Various other religious,  
Vote - unianimoius.

Graduate student committee proposal: discussed and tabled

**Hashem:**

Meeting with housing on Friday. Piyush helping him out.

**Clay:**

Greek Meal plan - have not started. First person to contact, Erin from ASA. Talk to Jean Bingham regarding the meal plan.  
Meal plans allows students who are Greek to live in MSV/SSV and eat at a Greek house, and also eat at a Greek house.  
(it was set up, but taken down.)

**Shatoria:**

Class gift committee: working with them as well as helping to recruit more students.  
Gift every year. People to join the committee. Every year-student, architectures, there is a point system. Your name will go on the plaque. The class with the most fundraised money, will get most points.

**Carolyn:**

Keating resolution:  
Working on it, ready to contact Jason, some people to help (Ethan, Danny.)  
Serious problems with keating; Jason is new. helping with him and solving complaints. No basketball, Tv troubles. etc.

**Other items:**

Sustainability & Energy office  
Working Groups – volunteers  
Sustainability lunch on Tuesday (Rawan can make it)

**Seniors Week:**

Will we have housing? Seniors will have guaranteed. People who are helping might, no guaranteed.  
What are the events? Ask Mike :) Students, UB and other people.

**Princeton Review:**

Survey - once in three years. People were really angry. Only angry people. Right now, we want more and more people to fill it, so that we can get better reviews. There is \$5000 scholarship.

**Study Abroad meeting:**

Study Abroad resolution template - we need to make one and solidify it. Ray was asked to worked on it.  
Clay talks about the SGA retreat resolution workshop - not resolution ready  
Purvag - talk to people about the Study Abroad.  
Carolyn - Dont work on the resolution till you talk to people. (advice from Ray.)  
Rawan helps.  
Need to suggest specifics.

**Announcements:**

**New Senators 1-1 time scheduling:**

One on one meetings - fix up a time. Its a more about discussing expectations, open minded, frank meeting, getting to know each other.

**CMC survey and feedback:**

Helping - Carolyn, Clay,

**Google Docs for education:**

Hamaz, Karen Fiorenza of OTS emailed.  
Q) what will be the address? like '.edu' or '[illinoistech.edu](http://illinoistech.edu)' or '[iit.edu](http://iit.edu)'. Gmail gives u the options.

**From President and Student Speak Survey:**

Student manual kind of thing - director of editorial services, want a create students  
There was a wiki. But now, its a new idea. More ideas.  
Technical background is easy, ideas are easy, but getting right content is difficult.  
Purvag - Once you meet with the person, can you let us know for info and we can help you feedback.  
Ray - can it be a living document, regularly updated, enough people ask it, they come up with an answer finally.

**Alternate Spring Break:**

Lot of money required for funding and self-fundraising.
